

Horse Sponsorship Benefits

As a Horse Sponsor, you are a treasured member of Hearts Therapeutic Equestrian Center. Your sponsorship of a “Horse Hero” helps to support our program, bringing hope, joy and new capabilities to adults and children who have serious injuries or disabilities. We are dedicated to ensuring that your relationship with your sponsored horse is satisfying and safe. As a Horse Sponsor you will receive the following benefits:

Groom and Ride Independently: As Scheduled

You are welcome to bathe, groom, lunge, graze or ride your horse in either of our riding arenas, to the degree that you are able to work with the horse independently. Our Program Director will assess your skill level and schedule your weekly visits with you.

Sponsor Group Ride: Once a month

Join other Horse Sponsors for a leisurely ride on the trail or in an arena, led by a Hearts riding instructor. Allow the stress of a busy day to fall away while you and your horse enjoy our ocean view property. Sponsor rides will be held monthly, weather permitting. Dates and times will be confirmed by email.

Rest and Relaxation: Sundays 12:00-2:00 PM

Come to Hearts on Sunday afternoons to bask in the serenity of our ocean-view facility. Enjoy your lunch in our rose garden. You may groom, bathe, or give special attention to your horse. Or, watch your horse frolic in the pasture or large arena. Sundays are set aside for our horses (and their sponsors) to rest and relax. There is no riding available on Sundays.

“Back in the Saddle” Riding Lessons: As Scheduled (additional fee required)

If you need encouragement to get “Back in the Saddle” or if you are new to horseback riding, this is the place to begin! Sponsors are invited to join this unique class to get comfortable with your horse and hone your riding and groundwork skills. Lessons are \$55 per week. Please call the office for details at 964-1519.
